The winner of each group will be presented with an award. In the case of larger classes there may be runners-up at the discretion of the adjudicator. Each child participating will be presented with a certificate.

The children playing in Group 6 will compete this year for the Festival Shield, in Group 7 for the Festival Award, whilst the performers in Group 8 will compete for the prestigious Windblowers' Trophy and the Festival Cup. The children have been grouped according to their ability.

We welcome Mrs Chris Turner as our adjudicator this afternoon and are very grateful for her time and expertise.

The Festival allows us the opportunity to enjoy all the children's performances and to see the progress that they have all made. We are very fortunate to have such a dedicated and talented team of music staff here at Plumtree School.

A **big thank you** to all the staff, who have helped to make this afternoon such a memorable event.
