

**Plumtree School**  
**Year 6.... 11+ Entrance Examination Results 2010**

Dear Parents,

Here is our annual table of entrance examination results for our Year 6 children showing the places offered and their chosen schools. They are a super group of very individual and talented characters. At the end of a very busy few months I am delighted to tell you that as well as an excellent set of results, all of these girls and boys are heading off to "the right schools for them", the school being matched to the child. This illustrates the advantages of being a truly independent primary school able to send our children on to selected, secondary schools suited to their individual needs. We are indeed fortunate to have a range of very good secondary schools within reach.

We are all very proud of Georgio who has been awarded academic scholarships at Nottingham High School and Loughborough Grammar School. **Well done everyone!**

Best wishes,

*N. White*
