The winner of each group will be presented with an award. In the case of larger classes there may be runners-up at the discretion of the adjudicator. Each child participating will be presented with a certificate.

The children playing in group 5 will compete this year for the Festival Award; in group 6 for the Festival Shield; group 7 will compete for Janet Spinak Cup; group 8 will compete for our new award in memory of David Ives; whilst the performers in group 9 will compete for the prestigious Windblowers' Trophy and the Festival Cup.

The children have been grouped according to their ability.

We welcome our adjudicator Alistair Parnell back this afternoon and are very grateful for his time and expertise.

The Plumtree School Music Festival allows us the opportunity to enjoy all the children's performances and to see the progress that they have all made. We are very fortunate to have such a dedicated and talented team of music staff here at Plumtree School.

A big thank you to all the staff who have helped to make this such a memorable event.
